

## Defibrillator- Registration form

Thank you for purchasing an AED (automated external defibrillator) Taranaki has in place a registration scheme for AED's which allows emergency services and others to share where AED's are placed in our community.

Your AED retailer will help you fill in this form. Details will then be placed on the Safe Taranaki website -<http://www.safetaranaki.org.nz> (They can send us the form on your behalf or you can email it to the contacts below.)

Date AED will be at location from:		
AED address: (Street address and building description)		
AED location within that address:		
Hours of access to AED: (Include after hours access information if applies)		
Names and phone numbers of key contacts;		
Other information we might need to know;		

Please sign here to authorise us to publish your information and add your AED to our list. (If you do not want all of this information published, place an **X** in the far right column next to the inform you wish to keep private)
